WILL YOU BE ON THE BENCH?

2016 graduate,

The NCAA's Division I academic requirements are changing for the class of 2016 – are you on track to meet them?

If you are planning to play sports at an NCAA Division I college, you need to take the right courses now to make sure you meet the NCAA's core-course requirements.

To play Division I sports, you need to pass 10 NCAA core courses before you start your senior year of high school. At least seven of those core courses must be in English, math or science. In total, you need to pass 16 core courses by the time you finish four years of high school.

What should you do?

Talk to your high school counselor to make sure you are taking the right number of NCAA-approved high school courses to play in college.

Remember, you need 10 core courses by the start of your senior year and 16 core courses by the end of your senior year.

Click [here](#) to see the NCAA core courses offered at your high school.

Also, you will find additional information about the new Division I academic requirements [here](#). Academic requirements for Division II are changing in 2018. Click [here](#) for more information about the current and future Division II requirements.

NCAA Eligibility Center

2016 Division I New Academic Requirements

*The Initial-Eligibility Standards for NCAA Division I
College-Bound Student-Athletes are Changing*

Division I

College-bound student-athletes first entering an NCAA Division I college or university on or after August 1, 2016, will need to meet new academic rules in order to receive athletics aid (scholarship), practice or compete during their first year.

What are the New Division I Requirements?

Full Qualifier	Academic Redshirt	Nonqualifier
Complete 16 Core Courses: <ul style="list-style-type: none"> Ten of the 16 core courses must be complete before the seventh semester (senior year) of high school. Seven of the 10 core courses must be in English, Math, or Science. 	Complete 16 core courses.	Does not meet requirements for Full Qualifier or Academic Redshirt status.
Minimum Core-Course GPA of 2.300.	Minimum Core-Course GPA of 2.000.	
Meet the sliding scale requirement of GPA and ACT/SAT score.*	Meet the sliding scale requirement of GPA and ACT/SAT score.*	
Graduate from high school.	Graduate from high school.	

Full Qualifier: A college-bound student-athlete may receive athletics aid (scholarship), practice and compete in the first year of enrollment at the Division I college or university.

Academic Redshirt: A college-bound student-athlete may receive athletics aid (scholarship) in the first year of enrollment and may practice in the first regular academic term (semester or quarter) but may NOT compete in the first year of enrollment. After the first term is complete, the college-bound student-athlete must be academically successful at his/her college or university to continue to practice for the rest of the year.

Nonqualifier: A college-bound student-athlete cannot receive athletics aid (scholarship), cannot practice and cannot compete in the first year of enrollment.

Examples

Q: A college-bound student-athlete completes nine core courses prior to the seventh semester of high school. What is the college-bound student-athlete's initial-eligibility status?

A: The college-bound student-athlete cannot be certified as a qualifier because only nine of the 10 required courses were completed before the seventh semester. He/she would be permitted to practice and receive aid (scholarship), provided he/she presents 16 core courses and meets the necessary core-course GPA and test score requirement at the time of graduation.

Q: A college-bound student-athlete completes 16 core courses in the required framework with a 2.200 core-course GPA and a 79 sum ACT. What is the college-bound student-athlete's initial-eligibility status?

A: The college-bound student-athlete is an academic redshirt under the new sliding scale because the minimum GPA requirement is 2.300.

Q: A college-bound student-athlete completes 15 core courses with a 2.500 core-course GPA and an 820 SAT score (critical reading and math). What is the college-bound student-athlete's NCAA initial-eligibility status?

A: The college-bound student-athlete is a nonqualifier because only 15 core courses were completed, not the required 16 core courses.

For additional information on these requirements, please visit www.eligibilitycenter.org.

NCAA ELIGIBILITY CENTER QUICK REFERENCE GUIDE

Division II Initial-Eligibility Requirements

Core Courses

- **Division II currently requires 16 core courses.** See the chart below.
- **Beginning August 1, 2018**, to become a full or partial qualifier for Division II, all college-bound student-athletes must complete the 16 core-course requirement.

Test Scores

- **Division II** currently requires a minimum SAT score of 820 or an ACT sum score of 68. **Beginning August 1, 2018**, Division II will use a sliding scale to match test scores and core-course grade-point averages (GPA). The sliding scale for those requirements is shown on Page No. 2 of this sheet.
- The SAT score used for NCAA purposes includes **only** the critical reading and math sections. The writing section of the SAT is not used.
- The ACT score used for NCAA purposes is a **sum** of the following four sections: English, mathematics, reading and science.
- **When you register for the SAT or ACT, use the NCAA Eligibility Center code of 9999 to ensure all SAT and ACT scores are reported directly to the NCAA Eligibility Center from the testing agency. Test scores that appear on transcripts will not be used.**

Grade-Point Average

- Be sure to look at your high school's List of NCAA Courses on the NCAA Eligibility Center's website (www.eligibilitycenter.org). Only courses that appear on your school's approved List of NCAA Courses will be used in the calculation of the core GPA. Use the list as a guide.
- The current **Division II** core GPA requirement is a minimum of 2.000. **Division II** core GPA required to be eligible for **competition on or after August 1, 2018**, is 2.200 (corresponding test-score requirements are listed on the Sliding Scale on Page No. 2 of this sheet).
- The minimum **Division II** core GPA required to receive **athletics aid and practice as a partial qualifier on or after August 1, 2018**, is 2.000 (corresponding test-score requirements are listed on the Sliding Scale on Page No. 2 of this sheet).
- Remember, the NCAA core GPA is calculated using NCAA core courses only.

DIVISION II 16 Core Courses

- 3 years of English.
- 2 years of mathematics (Algebra I or higher).
- 2 years of natural/physical science (1 year of lab if offered by high school).
- 3 years of additional English, mathematics or natural/physical science.
- 2 years of social science.
- 4 years of additional courses (from any area above, foreign language or comparative religion/philosophy).
